## Newsletter for August 2002

### **QUARTERLY BOARD MEETING**

The Board of Directors Meetings will be held quarterly on the second (2<sup>nd</sup>) Tuesday of that month. The next meeting is scheduled for Tuesday, September 10, 2002, at 6:00 p.m. at The Groves Model – Plan 1 / Birch.

### **HELP US HELP YOU**

If you notice a broken sprinkler or other maintenance needs in the common areas, please don't hesitate to call Menas with a report. Michelle runs the maintenance desk at ext. 27, and she'll take care of you. You are, of course, always welcome to call Susannah Brown at extension 28. With your help we can take care of things before they get out of hand and more costly.

## **clogged drains**

Be wary of what you put down the garbage disposal. Putting the wrong thing down your drain can sometimes cause your kitchen sink to become blocked. This is because some types of food can stick to the inside of the pipe, eventually blocking it.

Here are a few items you should not put down the garbage disposal: potato peelings, rice, celery, coffee grinds, pasta, and cooking oil.

Instead, please dispose of any waste food or cooking oil in garbage bags and dump in the trash.
